CUSTOMER ENGAGEMENT

Customer Experience means different things to different people, it is generally about the sum of all interaction a customer has with a brand. That's a significant difference from:

- Customer Service, which generally focuses on a single transaction.
- Engaging customers and strengthen their loyalty to a brand.

The aim of Customer Engagement is to have long-term engagement, encouraging customer loyalty and advocacy through word-of mouth, Below are few triggers to attract or engage audience (intenders/ existing students) on many occasions:

- Centre
- Social
- Technical/Creative
- Personal

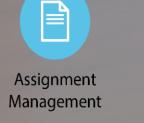

ABOUT CREOSOULS

• Creosouls is a Social Network portal specializing in showcasing Talent, online portfolio including opportunity to building career and offering your talent services to customers.

• It has Custom Institute Workflow which enables Institutions to develop a portfolio of their own and helps with assignment management.

- Easy to monitor progress and quality of education.
- Arena Animation is First and only Brand to implement this platform world wide for students.
